

505 Health Blvd Daytona Beach, Fl. 32114 386-255-5050

www.DiGaetanoCataract.com

Welcome to DiGaetano Cataract Services. We are delighted to have you as new patient. Our doctors specialize in the medical and surgical care of eyes. We are the longest established practice in the greater Daytona Beach area, preserving a tradition of providing the finest patient care available.

The enclosed forms should be filled out as completely as possible, especially your list of medications.

The appointment time below has been reserved for you. Please remember to bring with you these forms, insurance cards, identification cards and your eyeglasses to your appointment on:

____.

We reserve the right to discharge a patient from our care if a patient "no-shows" or cancels without an advanced notice of 24 hours, on 3 or more occasions.

Dr. Acevedo and Dr. Li perform their surgeries at Atlantic Surgery Center. In the event you need a surgical procedure, please be aware that the surgical facility may not be an in-network facility. Please be sure to check with your insurance carrier to confirm and to also verify that you have out of network benefits. Your out of network benefits may cover the facility. If you have any questions, please contact your insurance company or the insurance department at the surgical facility.

Atlantic Surgery Center 386-239-0021

Thank you for choosing our office for your eye care needs. We look forward to meeting you!!

Margaret DiGaetano, M.D.
Itza Acevedo, M.D.
James Li, M.D.
DiGaetano Cataract Services, PA

OFFICE POLICIES

Please read carefully, if you have any questions regarding our office policies do not hesitate to ask!!

DRIVING POLICY

Dilating drops enlarge the pupils of the eye to allow for the examination of the inside of your eye. These drops usually cause blurred vision. After an examination with dilating drops, you should not drive yourself. Instead, you should make alternative arrangements for transportation after your examination. If you do choose to drive yourself, you acknowledge that you understand the risks and accept full responsibility for any injuries to yourself or others. Adverse reaction, such as acute angle-closure glaucoma may be triggered from the dilating drops. This is extremely rare and treatable with immediate medical treatment.

You hereby authorize the doctors of DiGaetano Cataract Services and/or their assistants to administer dilating eye drops during your treatment.

I have read and understood the above paragraphs

Patient	Initials	

INSURANCE POLICY

Your insurance policy is a contract between you and your insurance company. We accept Medicare assignment and will file claims with certain medical plans. Claims will be filed based on the information you give us. To file an insurance claim for you, we must make a copy of your insurance card. In the event a claim is denied, or should payment not be received within 45 days of claim submission, we will refile the claim one time. Please call your insurance company if you are not certain we participate with your plan. As a subscriber of your insurance, it is your responsibility to be aware of the limitations and conditions of your policy. Patients are responsible for any co-pays and/or deductibles. Payment is due at the time of service unless prior arrangements are made.

I have read and understood the above paragraph

Patient	Initials	
----------------	----------	--

APPOINTMENT POLICY

We have reserved an appointment time for you. If you are not able to make your appointment, please contact the office at your earliest convenience. This will allow us to schedule another patient, in need of our care, to see one of our qualified eye Doctors on an earlier date. If you have a scheduled appointment and you do not show to that appointment or contact our office 24 hours in advance, you will be charged a fee of \$30.00. Our office reserves the right to discharge a patient from our care, when 3 or more appointments have been missed with no communication or cancellations without prior notification.

I have read and understood the above paragraphs

Patient	Initials	

OFFICE POLICIES (Continued)

REFRACTION POLICY

Patient Signature: _

(or Guardian's signature if patient is a minor)

A refraction is a test / procedure ordered by the physician to assist them in determining what your best vision is with lenses and if your vision can be improved with corrective lenses. If your vision cannot be corrected with a prescription for corrective lenses, it may indicate a problem with the health of your eyes. It can also be used to detect certain types of vision loss.

We want to make you, the patient, aware of the \$45.00 fee for this test to be completed. We will file a claim to your insurance carrier on your behalf, but Medicare and some other insurance plans state this is a non-covered service. Therefore, this fee would be the patient's responsibility.

WHY IS THE REFRACTION CHARGED AND NOT COVERED?

Medicare and certain insurance companies do not consider a refraction a medical service. They (Medicare) acknowledges that this test / procedure is separate to the rest of the eye exam and therefore there is a separate fee.
